FBCAS Monthly Shelter Statistics Report – November 2023

From November 1, 2023 through November 30, 2023, the overall save rate was 91%. The save rate for dogs it was 88% and for cats it was 93%.

As we move forward though, we need your help more than ever to continue to keep our save rate at 90% or more. We are in a crisis situation unlike any we have seen here before and we need your help to adopt and foster. Please help us to help them.

- 111 feral/community cats were returned to field as part of our Community Cat Program
- 11 dogs and 2 cats were returned to their owners through our Return to Owner/Return in Field programs

Dogs:

- One dog died en route to the shelter after suffering an injury in the field
- Two neonatal puppies died in foster care failing to thrive
- Seven dogs were humanely euthanized for bites and or aggressive behavior towards the public and staff
- Two dogs were humanely euthanized for severe illness/injury

Cats:

- Three cats died in surgery
- One kitten died in surgery
- One kitten died in foster care failing to thrive
- One cat died from an unknown illness

* Beginning and ending shelter totals have an acceptable variance of .5% due to database variances in intake and outcome dispositions of the shelter population. Our dedicated staff would like to thank all of our adopters, rescue partners, fosters, volunteers and community members who played a part in every life saved at FBCAS this month.

*Best Friends Community Dashboard formula: [(Live Intakes, including Owner Requested Euthanasia)-(Died in Care)-(Lost in Care)-(Shelter Euthanasia)-(Owner Requested Euthanasia)] divided by Live Intakes
