FBCAS Monthly Shelter Statistics Report – September 2023

From September 1, 2023 through September 30, 2023, the overall save rate was 95%. The save rate for dogs it was 89% and for cats it was 99%

As we move forward though, we need your help more than ever to continue to keep our save rate at 90% or more. We are in a crisis situation unlike any we have seen here before and we need your help to adopt and foster. Please help us to help them.

- 65 feral/community cats were returned to field as part of our Community Cat Program
- 7 dogs were returned to their owners through our Return to Owner/Return in Field programs

Dogs:

- One dog passed away shortly arriving at the shelter after suffering injury in the field.
- Two dogs were humanely euthanized after suffering from severe injury in the field
- Four dogs were humanely euthanized for bites and or aggressive behavior towards the public and staff
- Two dogs were humanely euthanized for bite investigations

Cats:

- Two cats were humanely euthanized after suffering severe injuries in the field

* Beginning and ending shelter totals have an acceptable variance of .5% due to database variances in intake and outcome dispositions of the shelter population. Our dedicated staff would like to thank all of our adopters, rescue partners, fosters, volunteers and community members who played a part in every life saved at FBCAS this month.
