FBCAS Monthly Shelter Statistics Report – May 2018

From May 1, 2018 to May 31, 2018, the overall save rate for FBCAS was 67%. The save rate for dogs was 97% and for cats it was 46%.

Last month 66 feral cats were euthanized as per the current policies and procedures. FBCAS is pursuing steps to reduce these numbers and will be making an announcement about our Feral/Community Cat Pilot Program this month.

The save rate does not include 3 dogs that were owner requested euthanasia for the entire month of May, 2018.

Beginning and ending shelter totals have an acceptable variance of .5% due to database variances in intake and outcome dispositions of the shelter population.

Our dedicated staff would like to thank all of our adopters, rescue partners, fosters, volunteers and community members who played a part in every life saved at FBCAS this month.
